REGULATION

Art. 1 – CONTEST

In loving memory of Franco Agostino for whom the theatre was a central aspect of life, the Cultural, Non-Profit Association Franco Agostino Teatro Festival announces and organizes the Festival Contest of the XX Edition of the FATF “È Festa!”. The Contest has European character, has a free theme, and is reserved to groups and non-professional theatre companies - within or outside schools - of young people between 11 and 20 years of age.

Art. 2 – OBJECTIVES

The Contest aims at encouraging and promoting the practice and knowledge of theatre art, offering opportunities of meeting and dialogue between the groups operating in such area, with particular regard to the educational aspect. Main objectives of the Competition are the promotion of creativity, inventiveness, spontaneous expression, personal and group growth of children and teenagers. Special attention are given the issues related to youth, including the rereading and reprocessing of the classics by young people with their own language. The Contest also qualifies as reference pole for the “Youth’s Theatre”, invented, created, directed, performed and produced by themselves. The proposed performances are entrusted to the look and to the evaluation of the juries. They are renewed annually to always offer our participants different perspectives and sensitivity.

Art. 3 – PARTICIPANTS AND CATEGORIES

The Contest is open to all European theatre groups - whether within schools or not - formed by young people between 11 and 20 years of age operating in any theatre area (Theatre, Dance, Mime, Juggling, etc.), as long as registered to Franco Agostino Teatro Festival and leading works carried out during the current school year. The groups will be divided into two categories of Competition depending on the age of the participants (Middle Schools and High Schools) and will perform on two separate days.

Please note: should a sufficient number of entries from non-school groups be achieved (at least 3), the Organization reserves its right to establish two sections for each contest category in order to avoid evident imbalances and disparities, i.e. School Groups and Non-School Groups (Academies, Theatre Schools, Dance Schools...). Should this be the case, the Organization commits to informing all participating groups in advance.

Art. 4 – APPLICATION

In order to take part in the Contest each group must complete the online form on edizione.teatrofestival.it (Application: Iscrizioni – Concorsi) no later than **March 31st, 2018** at 12.00 AM. The Organization will transmit the list of the selected schools by April 12th, 2018. Once FATF confirms all participations, each

group must pay their membership fee of 60.00 Euros by bank transfer (sending expenses should not be deducted from registration fees) no later than **April 18th, 2018**. Cash payments are not accepted. In the event of non-payment, the group's nomination will expire.

At the moment of application, each group will have to declare the authorship of the show, and whether it's protected by SIAE. The costs of the regular representation of the shows made by the pupils or otherwise not protected by SIAE shall be borne by the Organization for the category "Miscellaneous Art" as required by law. Any costs arising from fees payable to the author for texts preserved and protected SIAE will be borne by the group that represents the show.

Art. 5 – SELECTION

A maximum of 8 entries will be accepted for each category. In case of more numerous inscriptions, the Organization will carry out a preventive and unquestionable selection according to the criteria of territoriality (groups coming from different geographic areas – Nations, Regions, Provinces - will be favoured) and priority (shall two teams from the same region apply, priority will be granted based on entry date).

The Contest will take place in San Domenico Theatre in Crema on **May 23th and 24th, 2018**. The first day will be devoted to groups of the Middle School category, while the second to those of the High School category.

Art. 6 – REPRESENTATION AND OUTFITTING

The maximum duration of every performance should not exceed **30 minutes** (outfitting included). Theatre operators, teachers or students not aged between 11 and 20 years cannot actively intervene on stage. The available 30 minute includes staging time. The Organization provides theatrical space, technical personnel, phonic and lighting equipment; in particular: on-stage diffusion lighting, panoramic microphones, pole microphones, cd player, diffusion system. The participating groups must provide any other technical requirement. Any equipment must carry a suitability certificate; use is allowed at FATF direction's discretion.

Art. 7 – JURIES

The Organization shall designate two different juries which will evaluate the performances of the Contest: the Experts Jury (formed by teachers, journalists, artists, members of the institutions, professionals and workers in the sector) and the Youth Jury (consisting of Middle and High School students of our region).

The Experts Jury will evaluate each show and will express an articulated opinion for each of them.

Furthermore, it will signal 6 groups (3 for Middle Schools and 3 for High Schools) among which 2 winning performances will be selected (one per category). At the end of the Contest the concerned groups will have the chance to meet the Experts Jury in an occasion of discussion and clarification.

The Youth Jury will award the 2 most deserving works (one per section through numerical vote).

Within that jury each participant group shall be entitled to be represented by a juror - deprived of the right to vote for his/her own membership group - who will stay until the end of the event and take part in the vote. This to ensure transparency and active participation by the directly concerned youth.

Any possible breach of the rules will result in penalties, autonomously chosen by the jury.

The results of the work of the two juries, inspired by and balanced with art. 2, are unquestionable.

Submitting their application the participating groups explicitly renounce any protest action or appeal with respect to the results.
